2025-2026 National Credential Assessments

Information regarding the submission process for the 2025-2026 National Credential Assessments and Laity Reports has been shared directly from the Office of the Financial Secretary with all Jurisdictional Secretaries.

I attribute my capacity to serve at this level within our church to the steadfast support I have received from the Saints throughout my life. It is my sincere desire to honor that support by providing a meaningful “return on your investment.” I am genuinely enthusiastic about stepping into the role of General Secretary and eagerly anticipate collaborating with you as we address the unfinished business at hand.
